Dear Chief Reynolds,

It is with gratitude that we thank you and Bluffton Police Department for your escort and traffic control during the funeral procession for Bluffton Fire Commissioner Bob Rogers last Friday. His dedication to public service, both here in Bluffton and other communities in which he lived, was deep and sincere. Bob never wavered in his support. His family was in awe of the number of people who recognized his service. They too appreciated your efforts.

Thank you again for your continued support of Bluffton Township Fire District.

Sincerely,

Good Morning, I just wanted to take a minute to thank you for such a fantastic job you did on the Cherol murder investigation. It may seem as though the public was frustrated in the time it took to make arrests as Chief Reynolds said but most people understand it takes time. What a great team we have here in Bluffton on our force and the county as well!! I just think lately our police departments don't get enough respect and deserve more credit for the tough job you do. So, I just wanted to thank you and say job well done! I'm sure you here mostly complaints. We support you in this household. Be safe. Chuck Gibbons
