Town of Bluffton, Rotary Community Center at Oscar Frazier Park

11 Recreation Court, Bluffton, SC 29910

Tuesday, December 5, 2017, 11:00 a.m.

I. CALL TO ORDER

II. PUBLIC COMMENTS

There were no public comments.

III. OLD BUSINESS

1. Report on the findings of the Stormwater Subcommittee

Speaker to include: Beaufort County– Eric Larson, Environmental Engineer Director

Larson presenting, charged sub-committee to find the highest standards from all in the Region. Two meetings were held to discuss each Municipality's regulations.

Larson presented the matrix provided to committee (attached and incorporated in these minutes).

Multiple questions were asked by those in attendance regarding which components were reviewed, what is triggering the MS4 requirement, what type of levels of service would be provided if a regional authority was formed, would this affect existing Planned Unit Developments, and how would this effect the quality of life for communities.

Chairman Williams asked Larson to come back to the Southern Lowcountry Regional Board Meeting Committee with a Mission Statement with Best Practices for the region. The subcommittee that previously met will meet again to create a matrix similar to what was presented to the committee. Part 2, which is separate but later, will provide the next steps to move forward with consideration of watershed authority for the region.

IV. NEW BUSINESS

There was no new business.
